Student Media Statement

I, _____, verify that I have or will watch the informational video/DVD(s) for the _____ course before I attend open water training. If for any reason I do not understand the information presented in the video/DVD(s), I will ask my instructor to explain the parts I do not understand.

I acknowledge that failure to view these video/DVD(s) may be a threat to my safety or the safety of those I dive with. I also understand that viewing the video/DVD(s) is a mandatory requirement in achieving the certification I am working on.
